ORDER

The matter is before the Commission upon a motion filed by Kentucky Power Company (Kentucky Power) seeking an extension of time to file its 2018 NERC Compliance and Cybersecurity Deferral Report. In support of its motion, Kentucky Power states that, pursuant to the Settlement Agreement in this matter, it had committed to making an informational filing on March 31 of each year quantifying and describing the amounts deferred in accordance with the relevant provision of the Settlement Agreement. Kentucky Power further states that “[i]n preparing its 2018 report it identified the need to investigate further and confirm the effect of the Tax Cuts and Jobs Act of 2017 on the calculated amounts to be reported.”¹ Kentucky Power notes that it will be able to provide the supporting calculations by May 1, 2019, and requests an extension until May 1, 2019, to submit the report.

¹ Kentucky Power’s Motion for Extension of Time to File Its 2018 NERC Compliance and Cybersecurity Deferral Report at 1.

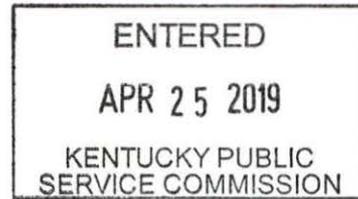

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Kentucky Power has established good cause to permit it a short extension of time until May 1, 2019, in which to file its 2018 NERC report.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's motion for an extension of time is granted.
2. Kentucky Power shall file its 2018 NERC Compliance and Cybersecurity Deferral Report on or before May 1, 2019.
